January–February 2027.

Key Challenges

Support requested from GPSC & partners

Challenge	Support Needed
Institutional coordination	Technical advice and peer learning on metropolitan governance models, multi-stakeholder coordination mechanisms and integrated urban planning tools
Sustainable urban mobility and e-mobility transition	Technical assistance, knowledge products and expert advisory support on urban mobility planning, e-mobility policies, charging infrastructure and transport governance.
Green Belt implementation and Nature-based Solutions (NbS)	Knowledge products, South-South exchanges and technical guidance on urban green belts, ecological restoration, biodiversity finance and NbS implementation.
Mobilization of private sector investment	Support on innovative financing mechanisms, PPP models and engagement with investors and private sector actors.
Other	

Where GPSC & Partners Can Add Value

Select up to 3 areas and specify the support needed
